BOARD MOTION OF JUNE 4, 2014, AGENDA ITEM 61 COUNTY IMPROVEMENT DISTRICT NO. 2661-M, CARROLL DRIVE SEWERS

On June 4, 2014, the Board determined that no majority protest exists against the proposed assessment for County Improvement District No. 2661-M, Carroll Drive Sewers; instructed the Director of Public Works to implement the proposed project; and requested that Public Works follow up on a request made by Ms. Dianne Smith, a property owner on Carroll Drive, that the entire street be paved as opposed to a portion of the street as currently proposed.

On July 3, 2014, Public Works reported to you that County Counsel was reviewing this request to determine whether revising the project to add the paving of the entirety of Carroll Drive would comply with the requirements of Proposition 218 and all other applicable statutes, and that they anticipated reporting back to the Board with a final analysis by the end of the month.

A draft response has been prepared and is currently being reviewed by both departments. We now expect that this analysis will be finalized and forwarded to the Board by August 15, 2014.

If you have any questions, please call me or your staff may contact Mr. Ed Dingman, Programs Development Division, Environmental Planning and Assessments Section, at (626) 458-3933 or edingman@dpw.lacounty.gov.
